

# Work Notice

The mission of DTSC is to protect California's people and the environment from harmful effects of toxic substances through the restoration of contaminated resources, enforcement, regulation and pollution prevention.

## Chatsworth Park South 22360 Devonshire Street - Chatsworth

### What type of work is being planned?

- Cleanup of chemicals in soil: lead, arsenic, antimony (dioxin/furans) and Polycyclic Aromatic Hydrocarbons (PAHs).

### When is the Cleanup?

- April 4, 2016 – December 13, 2016
- Monday – Friday, 7:00 a.m. – 5:00 p.m.
- No street closures are expected.

### Who is doing the Cleanup?

- Contractors for the City of Los Angeles Department of Recreation and Parks, under the oversight of the California Department of Toxic Substances Control (DTSC).

### How will the contaminated soil be cleaned up?

- Excavation and offsite disposal

### Where at Chatsworth Park South will the cleanup take place?

- All work will be within the boundaries of the park.

### What safety measures will be taken to protect the health of those nearby?

- Work areas will be fenced off.
- Air quality will be monitored.
- Trucks leaving the park will be covered and tires brushed.
- Soil samples will be taken to ensure the cleanup goals have been met.

---
