

Santa Susana Mountain Park Association P.O. Box 831, Chatsworth, California 91311

Greetings,

SSMPA is an environmental organization dedicated to preserving the Santa Susana Mountains and Simi Hills for the enjoyment of future generations.

- \* We are currently working to acquire for parkland the scenic 283 acre McDonald-Nichols property which features a historical stagecoach trail and serves as a key parcel in linking up a future regional park network. Although adjacent to Chatsworth Park North and South, the acreage is in serious danger of being developed.
- \* SSMPA has received donations and commitments for a \$50,000 downpayment/option on the purchase of the property. We need to raise more funds for payments as soon as possible. Please send your much appreciated tax deductible donations NOW, made payable to the "Foundation for the Preservation of the Santa Susana Mountains." Thank you!
