

NOTICE OF PUBLIC MEETING

Subject: Santa Susana Mountain Park

Time: 7:00 p.m., Monday, January 29, 1979

Place: Glendale Federal Savings and Loan
21821 Devonshire Street
Chatsworth, California

Sponsored by: State of California
Department of Parks and Recreation

The Department of Parks and Recreation is studying the possibilities for expanding the present acquisition plans at the proposed Santa Susana Mountain Park. A short presentation describing the resources of the area, (including the historical significance), the possibilities for expansion of the park now under acquisition procedures, and the potential uses of the area will be presented by the Department's staff. After the presentation, the public will be invited to express their views and concerns about this additional acquisition. Potential acquisition proposals which will be discussed, however, are intended for planning purposes only and are not necessarily a commitment for acquisition.

Information concerning the possible expansion will be on display at the Department's Channel Coast Area office at 1994 Harbor Boulevard, Ventura, after January 15, 1979 during regular office hours (8 a.m. to 4 p.m.).

If you have any questions or would like further information, you may call DeRoy Jensen at (916) 322-9614 or the Channel Coast Area office at (805) 654-4611.
